

Submitter: Shauna McKain-Storey

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: SB1596

Hi: I support this bill for 2 reasons. First, if items can be repaired, then fewer materials will be wasted and less trash will go into already crowded landfills. Second, it could really help people save money - most people can't afford to replace needed appliances or tools very often. Please help ordinary citizens and our planet with this bill, instead of businesses that may be lobbying against it.
