

Submitter: David Wall  
On Behalf Of: Mr Oregon Supports HB 4115  
Committee: Senate Committee On Labor and Business  
Measure: HB4115

I SUPPORT [HB 4115 A].

Oregon's and our National interests are enhanced by the passage of [HB 4115 A].

Due to a continuing and intentional lack of political leadership, the categories of employees identified in [HB 4115 A], who serve diligently and unselfishly are treated unfairly in their respective workplaces. I would further submit, "Hostile Workplaces" exist and left to fester unresolved.

[HB 4115 A] will begin to correct and modernize resolutions to contentious issues raised in submitted Testimonies further; [HB 4115 A] will add additional layers of earned benefits to recruit and retain our societies' most valiant employees.

The issues of potential "conflicts of interests" can easily be resolved as the work product from upfront and honest negotiations.

Oregon desperately needs the employees, identified in [HB 4115 A] employment categories.

The proponents of [HB 4115 A] have presented a thoughtful and worthy resolution to address specified controversial workplace issues.

PASS [HB 4115 A] with dispatch.

David S. Wall  
Mr. Oregon Concurs.
