On Behalf Of: Mr Oregon Opposes HB 4138  
Committee: Senate Committee On Labor and Business  
Measure: HB4138

I OPPOSE [HB 4138 A].

Oregon has enabled and facilitated various addictions to drugs and alcohol.

It is bad enough lives of the addicted, unless saved by interventions will be dramatically shortened.

Third-party deliveries of alcohol have enhanced alcohol consumption, addiction and spousal abuse.

O.K. you have heard this sermon before and could care less.

If OLCC is going to charge a "Fee" for the delivery of state sanctioned poisons, [\$500.00] is too low.

Make the "Fee" at least [\$2000.00].

Sure a [\$2,000.00] "Fee" will make Third-Party 'squeal like stuck pigs' but who cares?

The Third-Party Delivery businesses will pay the "Fee" because the money they will make. The "Fee" costs will be metered into the business model of the Third-arty delivery service.

Everybody will be happy, except the cirrhotic Livers of the drunks, the additional costs to Health Care and the loss of taxable income revenue from the effects of intoxication.

Is Third-party Marijuana deliveries next? Why not-don't spoil the party. But, I digress.

I can envision the Legislature authorizing Third-party deliveries of sex-worker services. Mobile 'Pimps' and their 'cribs' on wheels. Again, I digress.

David S. Wall

Mr. Oregon Concurr, "Sex, drugs, alcohol, Lottery tickets and whatever else you want delivered to your home? There are additional "Fees" to be charged and collected."
