

Submitter: Susan Carkin

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB4130

I fully support this bill. Currently I am in Mexico and enjoying superior dental, medical and dermatological care. Doctors who truly care for all their patients are to be supported and sustained. Corporate medicine in the US is not healing medicine. We need medical reform, not corporate greed applying assembly-line standards to doctor-patient care.

Thank you,

Dr. Susan Carkin
