

Submitter: Thena Larteri Lyons

On Behalf Of:

Committee: House Committee On Rules

Measure: SB1583

The problem is too much money spent for “projects” of indoctrination vs “actual” academics! Remove all material, & funding for crap like LGBTQ and Transgender issues, along with all teachers, & administrators that promote this and EDI!

The fact is the Feds and State have agendas to destroy our children and will stop at NOTHING in this effort.

STOP THIS CORRUPTION AND DESTRUCTION OF OUR CHILDREN!
