

Submitter: Cathy Rackham  
On Behalf Of: SB1583  
Committee: House Committee On Rules  
Measure: SB1583

I urge you to vote NO on SB 1583. While disguising itself as anti discrimination this bill discriminates against parents rights and the rights of school boards to remove age inappropriate, sexually explicit and offensive books and materials from the public school curriculum and their libraries. This is an attack on our children and an affront to Parents and School Boards who have the responsibility to keep our children safe while they attend public schools.

Please vote NO on SB1583.
