

Submitter: Rachel H
On Behalf Of: Community
Committee: House Committee On Rules
Measure: SB1583

Dear House Committee,

We should absolutely discriminate on these items. Are you not aware of the uproar in the community with parents and what the children are being presented in schools and in the library?

We the community members are tired of the inappropriate materials being presented and promoted to us and our children. You have a duty to represent us, so I ask you to please oppose this bill.

Thank you.
