

Submitter: Michele Anderson  
On Behalf Of: HB 4026A  
Committee: Senate Committee On Rules  
Measure: HB4026

To whom it may concern,

This bill is unconstitutional as it restricts the constitutional right to call a referendum. The state can only do that through a constitutional amendment and not a statute.

This bill is retroactive to stop a measure that's already on the May ballot. This bill would retroactively invalidate the legally exercised will of the people.

This process has been undemocratic. This provision was amended into a complexity different bill in a secretive way. Halfway through a short legislative session on a Friday afternoon.

Sincerely,  
Michele Anderson
