

Submitter: Richard Vander Velden  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: SB1583

I do not want one of my 7 or 10 year old grand children picking out a seemingly harmless book out of their school library to see a diagram on how to give blowjobs or how small children love to have sex with adults because it makes them special and loved. Any DEVIANT that thinks this is ok has no business being involved with public school in any way shape or form.
