

Submitter: Bob Terry
On Behalf Of:
Committee: House Committee On Rules
Measure: SB1583

I am extremely opposed to this bill in any form that it is written! I see no up side in our education system in any form to remove responsibility from our children how and what they learn, Civics should begin and end in our homes. What our children learn is a parental responsibility. The more we remove that out of the home the more we are giving up responsibility over the control of our Family's and the management of home. Ultimately we will not be everything the Preamble of the United States of America and the Freedom of Oregon. Education and its Management belongs in our County's and Districts, not in Salem. Please vote no.

Thank you,
Bob Terry
