

Submitter: Sue May

On Behalf Of:

Committee: House Committee On Rules

Measure: SB1583

I OPPOSE this bill! Children need age-appropriate materials, moderated by the local school boards. We need to keep indoctrination out of our schools! Young children need a variety of choices for reading, but not things that are beyond their comprehension, i.e. age appropriate. Children need to be protected from indoctrination, as they are too young to fully understand many of the things that are being made available these days.
