Measure: SB1583

I am a Mother of 3 sons, and 3 step children all elementary school aged kids. I will NOT SUPPORT SB 1583!

How are we parents supposed to feel safe about sending our children to school, " a safe environment" when they can come home and say " today I found a book and it has naked people for pictures, and mom what's anal penetration?".

If that doesn't make your head exploded with anger, that this is a book YOUNG CHILDREN can and have access to, you should not even be in any way have the right to make it where Schools and parents don't have a say in what OUR CHILDREN can pick up at SCHOOL!!

If you want to allow it at a book store, I don't care. I can control what my child sees at a book store. But at a School, that I pay taxes to, help give funds to and volunteer in my children's classroom, have no say in what it cannot have in its own library is wrong.

That subject should not even be an option for SCHOOLS! THAT IS A PRIVATE MATTER YOU HAVE AT YOUR OWN HOME!!

Stop grooming our children, stop pushing them to change themselves, stop trying to make everyone believe that they HAVE to be ok with all this nonsense. This world is sick! And I hope GOD has mercy on all who want this bill.
