

Submitter: Kathleen SITTON

On Behalf Of:

Committee: House Committee On Rules

Measure: SB1583

NO ON SB 1583

This bill is an egregious overstep by legislators. This bill is a violation of free speech rights. This bill violates federal law against pornography in public schools.

The legislature should not remove the ability of school boards, parents and community members right to express their opinions on whether certain materials, books and curriculum should be present or used in our public schools and libraries.
