

Submitter: Jack Rabenberg
On Behalf Of: Myself
Committee: House Committee On Rules
Measure: SB1583

SB-1583

My opposition to this unnecessary legislation is because it is detrimental to the principle of local control. Sacrificing the local community and local school boards in the name of equity, or seeking to be non-discriminating is farcical.

Please, we didn't consent to a legislature that is intent on making such far reaching laws that the citizenry is stifled.

Stop with this crap!
