Measure: SB5701

My name is Mat Randol and I am the Co-Founder & Lead Organizer for The Kidz Outside, an organization that's been working to reimagine George Park for 5 years. You recently indicated your interest in testifying to state lawmakers in support of our request to invest \$750,000 into George Park in support of increasing safety and access in the area.

While we are currently unsure if there will be opportunities to testify, there is still plenty of opportunity for you to make your voice heard by emailing members of the legislature that will be deliberating over these dollars.

I have attached a messaging guide here that you can use to submit emails to all the members of the committee and tell them why they must invest in this package now: <https://docs.google.com/document/d/1Ct4w3qQQVwxGtDbi17sN4cwcXHjgVs6uD8ayhIFu2cl/edit>

Once you have submitted your email, please let me know so we can track your support. These emails really matter, so thank you for taking the time to make your voice heard.

Thanks,
Mat Randol
