Committee: Senate Committee On Rules
Measure: HB4021

This is absolutely unacceptable and completely opposed to not only the will of the American people, but to the very fabric of the American experiment. This shall not stand. Tread carefully, lest you make enemies of the people. Your job is to serve us, not your will. Not your ideology. We must return to the way our great nation was set up. We cannot become as the rest of the world. There is a reason we were the greatest nation this world has ever seen. We are abandoning those principles that made us so. Return or we will see our end as a nation. We tread over dangerous terrain.
