

Submitter: Bing Wong
On Behalf Of:
Committee: House Committee On Rules
Measure: SB1583

I fully support SB 1583 as Oregon needs to protect access to history, social justice, current events held in our libraries. Some states have moved towards censorship and cutting access to history especially racial discrimination and other rights we hold dear for all residents. When only one person, anonymously, can remove a book from the library, depriving everyone else in the community from gaining knowledge is just wrong.
