Committee: House Committee On Rules

Measure: SB1583

There is no reason to pass this bill and anyone that thinks it is discriminatory needs to actually read the bill. Keep the control in the local school boards hands-that is why the communities elect our local boards. So they can make these types of decisions on behalf of the communities they were elected by and serve. There shouldn't even be a question to waste any more time on this bill. Oppose Oppose Oppose
