Measure: HB4130

Dr. Peter Karth has treated my eye problems in North Bend OR and HB 4130 is extremely important in order for him to continue to provide my eye care! Please encourage all the House Members to support this important bill so I can continue to have the best care that I so desperately need. As I'm an 88 year old female and do not to go blind because of my Mecular Degeneration!

Thank you you for your immediate attention to this important matter of passing HB 4130.
