

Submitter: Meteja Klukas

On Behalf Of:

Committee: House Committee On Rules

Measure: SB1583

I support this bill for the health and well being of our children. I support this bill because it embodies the freedom we are alleged to have as Americans. Freedom of religion and the freedom to determine one's own destiny means the freedom from religion and bigotry as well. Oregon needs to be one of many states to set an example in squashing hateful, conservative notions.
