Measure: SB1583

Dear Legislators,

I strongly oppose SB 1583. It violates the Principle of Local Authority; it's an abuse of power by the state; it robs the children of their innocence. Stop using the school system to teach sexually explicit and inappropriate material to children. The purpose of education isn't to sexualize children. Using common sense to place age restrictions on materials isn't the same as banning books. Instead, it's the responsible thing to do.

Plus, it's not an emergency.

I urge you to vote NO.

Thank You
