Date: April 7, 2025
Time: 3:00 PM
Room: HR C

Possible Work Session

SB 577

Requires an electric utility to recover costs for storing the waste produced by an energy facility in generating electricity.

SB 956

Appropriates moneys from the General Fund to the Oregon Department of Administrative Services to provide a grant to Heard Farms to expand wastewater treatment infrastructure.

SB 1034

Removes provisions that allow the Energy Facility Siting Council to find that an energy facility is in compliance with statewide planning goals even when the council determines that the facility does not comply with applicable substantive criteria from the affected local government's land use plan and regulations that the facility must be evaluated against if the council determines that the facility otherwise complies with applicable statewide planning goals.

SB 1067

Authorizes a city within Marion County to control or direct the disposal, transfer or material or energy recovery of solid waste generated within the city.

Public Hearing

SB 1187

Establishes the Climate Superfund Cost Recovery Program as an interagency response to the effects of climate change.

Youth Voices

This public hearing is an opportunity for students (kindergarten - 12th grade) to tell the committee about an energy or environment issue. You may sign up to speak at the meeting by clicking on "Register to Testify" above or submit written comment by clicking on "Click to Submit Testimony" in the staff list below. For additional assistance call 1-833-588-4500.

Note change: SB 330 has been removed.
