Possible Work Session

HB 2332

Prohibits the Department of Environmental Quality from requiring a Title V operating permit for certain air curtain incinerators.

HB 2375 A

Requires a person who is developing or repowering a wind energy facility to apply to the Federal Aviation Administration and, if applicable, the Federal Communications Commission, for approval for the installation and use of light-mitigating technology systems and, if approved, install the systems within 24 months or as soon as reasonably practicable thereafter.

Public Hearing

HB 3653

Defines "energy performance contract" and allows authorized state agencies to enter into energy performance contracts without requiring a competitive procurement if the authorized state agency follows rules that the Attorney General adopts, negotiates a performance guarantee and enters into the contract with a qualified energy service company that the State Department of Energy prequalifies and approves.

Youth Voices

This public hearing is an opportunity for students (kindergarten - 12th grade) to tell the committee about an energy or environment issue. You may sign up to speak at the meeting by clicking on
