Work Session

SB 1153

Directs the Water Resources Department to consider whether certain water right transfers will result in a loss of in-stream habitat for sensitive, threatened or endangered aquatic species in stream reaches not protected by an existing water right or contribute to water quality impairment in water quality limited streams.

HB 3569 A

Requires an agency that appoints a rules advisory committee with regard to rules implementing legislation to invite certain legislators to participate on the committee as nonvoting members.

Public Hearing

HB 3968

Adds Space Force to the components of the Armed Forces of the United States.

SB 1034

Removes provisions that allow the Energy Facility Siting Council to find that an energy facility is in compliance with statewide planning goals even when the council determines that the facility does not comply with applicable substantive criteria from the affected local government's land use plan and regulations that the facility must be evaluated against if the council determines that the facility otherwise complies with applicable statewide planning goals.
