# ODE Session 2025 Priorities

---

- **HB 3037 / LC 529 – Grant Alignment**
  - This proposal would allow ODE to streamline reporting processes for small school districts receiving state education grants to allow focus on the core mission of educating students. It also makes a small change to English Language Learner reporting requirements, as well as makes changes to some state education grants from the Student Success Act, expanding eligible grantees and aligning funding formulas.
- **HB 3038 / LC 530 – Adjustments for Education Services**
  - This proposal makes minor changes for statutes related to STEM, recovery schools, Oregon School for the Deaf, and emergency plans for schools. These changes ensure clarity and improve on educational services provided throughout Oregon. They update outdated language, and create clearer statutory guidance for educators, districts and the Oregon Department of Education (ODE) in our work to support students.

# ODE Session 2025 Priorities

- **HB 3041 / LC 539 – Educator Advancement Council (EAC) Technical Changes**
  - The EAC needs technical changes in statute to strengthen the coalition of education system partners working towards shared goals and better coordinate state-funded initiatives.
- **SB 867 / LC 536 – Complaints & Investigations**
  - This proposal makes many changes and clarifications to ODE’s complaints and investigations processes, including providing students who suffer discrimination with student specific services and protecting students from incidents of sexual conduct occurring during periods between contracts or similar breaks of engagement with education providers.
- **SB 868 / LC 537– Regional Inclusive Services Funding Report**
  - This proposal requires ODE to draft a report to give the Legislature the best information on which to base their decision-making for adequate service levels for Regional Inclusive Services (RIS), which provides critical services to students who experience low-incidence disabilities.

## **DEVELOPING – Placeholders**

- HB 3039 / LC 533 - Summer and Afterschool Learning

- SB 141 (Governor's Initiative) / LC 531 - **Shared** Accountability
