Subject: 2025 Committee Legislative Concept

LC 4029 (1/16/2025) establishes the Oregon-Ireland Sister State Committee. It specifies the appointment process and make-up of the committee, which would include 20 members and be co-chaired by the President of the Oregon Senate and the Speaker of the Oregon House of Representatives. The Committee would meet once or twice per year with staff support from the Legislative Policy and Research Office. The Committee would be permitted to host delegations from Ireland; visit Ireland; organize activities for and participate in delegations; provide for information exchange; work with Ireland representatives on joint projects; and coordinate and promote Oregon exports to Ireland and Irish investments within Oregon.
