House Committee On Judiciary

Prepared By: Abby Shearer, LPRO Analyst

Meeting Dates: 2/5

WHAT THE MEASURE DOES:

Expands the authority of Department of Public Safety Standards and Training to proceed with the investigation of, or action to deny the application or certification of, a public safety officer or instructor regardless of employment status and without condition.

ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Oregon law allows DPSST to continue the investigation of, or deny the application or certification of, a public safety officer, notwithstanding a change in employment status, if the department issued a notice of intent to deny certification or training, and the officer requested a hearing. HB 2926 removes these conditions and allows DPSST to continue the investigation or action to deny the application or certification, notwithstanding a change in employment status.
