LTCO Investigation Report Re: Mt. Hood Senior Living

December 24, 2023 – resident walked out an open door of an ODHS-licensed, “locked” memory care

LTCO findings:

- Licensing inexperienced owner
- Red flags known or should have been known to ODHS prior to incident
- Effective ODHS licensing response took 4 weeks
- Facility then closed by ODHS within hours of notifying residents/families
- Many residents moved to settings that should have been recognized as unsafe

LTCO Investigation Report Re: Mt. Hood Senior Living

Recommendations:

- Develop process to more immediately address red flags at a long term care facility – ODHS has now done this
- An audit to review ODHS regulatory processes and compliance with consumer protection laws - Started Dec. 5
- Address recognized gaps in law – see: SB 739

Additional Recommendations:

Establish clarity between roles for:

- Consumer protection
- Provider support – education/training/technical assistance
- Caregiver support
