

OREGON FOSTER CHILDREN'S SIBLING BILL OF RIGHTS TIPS AND IDEAS

The Oregon Foster Children's Sibling Bill of Rights gives children and youth in foster care specific rights designed to protect and strengthen their bond with siblings. These rights include but are not limited to the right:

- To receive a document that lists their rights, and a verbal explanation of those rights
- To be placed in foster homes with their siblings, whenever possible
- To visit and maintain contact with siblings and receive assistance with transportation
- To have a sibling visit and contact plan that has been developed with their active engagement and participation and is followed while they are in care
- To be told why they cannot live with, talk to or see their siblings if they are not able to
