

The Why...

*“With resources and creativity, we can support Oregon’s students in the summer months with a focus on fostering **health and wellness**, **cultivating relationships**, **accelerating learning**, and **providing enriching activities**,” said ODE Director Colt Gill. “Summer programs provide a unique opportunity to deepen learning and **restore social connections** that promote growth, resiliency and success for every student. This approach marks a significantly **different mindset** from a paradigm where “summer school” is seen as remedial and punitive. Student learning may be unfinished due to the disrupted school year, and as such, schools can reframe summer learning programs as significant opportunities to foster health and well-being, and accelerate learning. Summer learning can provide an opportunity to shift from **recovery to renewal** for every student.”*

ODE News Release - “ODE Releases Summer Learning Best Practice Guide” - April 14, 2021

Two Sites - Staffed by HSD Employees and HS Teaching in Action Students

Open to All HSD Students

Begins Week After School Year Ends; Ends Week Prior to School Year Beginning

6:00 AM - 6:00 PM Daily

8:00 AM - 2:00 PM (School Program Portion)

3 Meals Each Day - Breakfast, Lunch, and Dinner

Focused on Experiences

Multiple Field Trips throughout Summer Program

Movie Theater, Local Museums, Swim Lessons, Local Farms

Multiple Presentations throughout Summer Program

OMSI, Oregon Coast Aquarium, Theater, Teddy Bear Clinic, MobileEd Productions

Daily Art, SEL, Music, PE Instruction

Daily Sports Camps led by HS Coaches and Athletes

Nestle Kinder Jump Start, ESY, and Migrant Summer Programs

Provided transportation before and after school, after Champions, and a total of 22 field trips.

Swimming lessons were provided at the Hermiston Pool through the Parks and Rec department.

All families were offered a free dental screen and sealants if needed. Students were given a free hygiene kit.

Free meals for all students including breakfast, lunch and dinner. They also provided dinner for our Kindergarten Welcome night.

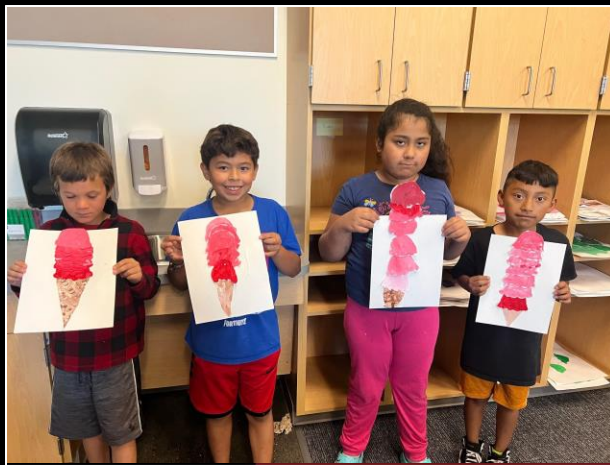

Champions provided daycare at both sites, beginning at 6:00 am through 6:00 pm, at no cost to parents. They also provided care after Summer Program was over to bridge the gap between SP and the start of school.

Teddy Bear Clinic
sponsored by Good
Shepherd

Science, Technology,
Engineering, Art & Math

Social Emotional
Learning

Classroom Activities

Blue Mountain Wildlife

Coyote Canyon

Coached by HSD Coaches and Athletes

- Bowling
- Volleyball
- Wrestling
- Tennis
- Basketball

Sports Camps

Oregon Coast Aquarium

STEAM and Forces & Motion

By Mobile Ed Productions

Kindergarten Welcome Night

Results Summer '21

	5 -> 6
District Gain/Loss as a Percentage of Typical Growth*	+6%
District Gain/Loss, Spring 20-21 to Fall 21-22	+1
Historical National Gain/Loss Based on 18-19 Norms	(7)

	K -> 1	1 -> 2	2 -> 3	3 -> 4	4 -> 5
District Gain/Loss, Spring 20-21 to Fall 21-22	+3	0	+4	(2)	(1)
Historical National Gain/Loss Based on 18-19 Norms	(2)	(5)	(6)	(6)	(9)

Results - Data Highlights

Summer '24

Reach - 630/~1900 Students

Including Kinder Camp - 784/2200 Students

Learning Loss/Gain in ELA (Spring '24 to Fall '24 as measured by i-Ready)

Overall

Summer Program Attendees **+0.66**

Non-Summer Program Attendees **-0.13**

Phonological Awareness

Summer Program Attendees **+2.62**

Non-Summer Program Attendees **-5.51**

Phonics

Summer Program Attendees **+6.55**

Non-Summer Program Attendees **-1.74**

Results - Data Highlights (cont...)

Learning Loss/Gain in Math (Spring '24 to Fall '24 as measured by i-Ready)

Overall

Summer Program Attendees **-1.41**

Non-Summer Program Attendees **- 1.67**

Algebraic Thinking

Summer Program Attendees **-1.23**

Non-Summer Program Attendees **-2.13**

Measurement & Data

Summer Program Attendees **-0.69**

Non-Summer Program Attendees **-2.08**

Geometry

Summer Program Attendees **-0.69**

Non-Summer Program Attendees **-2.1**
