**SUBJECT: February 6, 2025 Committee Questions**

Dear Chair Nosse and Committee Members:

Please find below information requested by members of the Behavioral Health and Healthcare Committee at the 2/6/25 meeting on Oregon's Medicaid program.

- **Medicaid enrollees by demographics**

You can review this information on OHAs [Medicaid enrollment dashboard](#). This tool allows for filtering by geographic location, age, eligibility group, and CCO type.

- **Funding impacts absent the hospital and provider assessments renewal**

Without passage of HB 2010, \$1.5 billion in additional General Funds would be needed for the 2025-27 biennium. That number would increase to \$2.3 billion in the 2027-29 biennium.

Please do not hesitate to reach out if there are any further questions. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Emma Sandoe". The signature is written in a cursive, flowing style.

Medicaid Director
