BACKGROUND:

United States Code [permits](#) the Secretaries of the Army or Air Force to allow National Guard members not on active duty to make allotments from their pay for life insurance programs sponsored by the military department of the state they live in.

The Oregon National Guard Association currently [offers](#) a term life insurance program and life insurance to age 100 program. All Oregon National Guard members have a no-cost \$1,000 life insurance policy benefit. Members in the state-sponsored life insurance (SLI) program can take the program with them upon leaving the National Guard; this program can pay up to a \$10,000 death benefit within 24 hours. If National Guard members meet eligibility requirements, Servicemembers' Group Life Insurance ([SGLI](#)) and Veterans' Group Life Insurance ([VGLI](#)) may also be available.

Senate Bill 803 would allow the Adjutant General to make efforts to make the state-sponsored life insurance program offered to National Guard members more available.
