No amendment.

**BACKGROUND:**

House Bill 2147 (2023) directed counties to designate a veterans' remains coordinator to verify and assist with the interment of unclaimed cremated remains of a veteran or their spouse, dependent, or survivor. During the public hearing on House Bill 2386, the Oregon Department of Veterans' Affairs (ODVA) testified that although House Bill 2147 (2023) is now in effect, the Department of Justice identified that ODVA does not have statutory authority to implement rules for it.

House Bill 2386 would provide ODVA the authority to implement the provisions of House Bill 2147 (2023).
