Senate Committee On Judiciary

Prepared By: Tisha Pascone, LPRO Analyst

Meeting Dates: 3/31

WHAT THE MEASURE DOES:

The measure requires the Oregon Liquor and Cannabis Commission to study the amount of marijuana items a licensed marijuana retailer may sell, and report to the interim committees related to business by September 15, 2026.

ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

-1 The amendment replaces the measure. It establishes that an individually sealed container containing cannabinoid products in liquid form shall be considered a single container, regardless of container size or inclusion in a package of multiple containers. It also adds unlawful possession amounts for cannabinoid edibles or cannabinoid products in liquid form as more 10 grams of total delta-9-THC in those forms, unless the person is a marijuana licensee or licensee representative. The amendment makes the measure effective on the 91st day following adjournment sine die, authorizes the Oregon Liquor and Cannabis Commission to take any action necessary to effectuate the measure after the effective date, and makes the measure's substantive changes operative on January 1, 2026.

BACKGROUND:

This measure is a placeholder relating to cannabis.
