#### **EFFECT OF AMENDMENT:**

No amendment.

#### **BACKGROUND:**

In Oregon, every person who manufactures, delivers or dispenses any controlled substance within this state or who proposes to engage in the manufacture, delivery or dispensing of any controlled substance within this state, must obtain annually a registration issued by the State Board of Pharmacy in accordance with its rules. A pill press is a mechanical device that compresses powder into pills or tablets of uniform size and weight and can be used with a wide variety of materials, including pharmaceuticals, nutraceuticals, cleaning products, industrial pellets and cosmetics.
