Bill Title: Relating to a tutor registry.

Government Unit(s) Affected: School Districts, Department of Education, Teacher Standards and Practices Commission

Summary of Fiscal Impact

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means.

The measure requires the Oregon Department of Education (ODE) to establish and maintain a registry for tutors who are not licensed through the Teacher Standards and Practices Commission. This will require ODE to purchase and maintain a system for the tutor registry, requiring professional services contracts and procurement processes through the Department of Administrative Services. ODE may also need additional position authority to implement the measure.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
