- assistant attorneys general whose duties include the representation of the Department of Human Services in child welfare matters (2021)
- employees of a county juvenile department whose duties include personal contact with persons committed to the county juvenile department (2019)
- civil code enforcement officers charged with enforcing laws or ordinances relating to land use, zoning, use of rights-of-way, solid waste, hazardous waste, sewage treatment, and disposal or the state building code (2015)
- employees whose duties include personal contact with criminal offenders and who is employed by a law enforcement unit (2013)
