BACKGROUND:

In 2017, the Legislative Assembly enacted Senate Bill 182, establishing the Educator Advancement Council (EAC) under an intergovernmental agreement. The intergovernmental agreement was executed on March 20, 2018. Parties to the agreement were the Chief Education Office, Oregon Department of Education (ODE), Early Learning Division, Teacher Standards and Practices Commission, High Desert Education Service District, and Beaverton School District. Under the provisions of Senate Bill 182, parties to the agreement could appoint members to the Council. A majority of those Council members could then appoint others. Staff support was provided by the Chief Education Office until its sunset in 2019. Since that time, staff support has been provided by ODE.

In 2021, House Bill 2166 modified requirements for the intergovernmental agreement. In 2023, Senate Bill 275 repealed the portion of HB 2166 modifying the intergovernmental agreement.
