BACKGROUND:

Paid Leave Oregon is contained in ORS Chapter 657B and was enacted by the Legislative Assembly in 2019. Paid Leave Oregon allows eligible Oregon employees to take paid, protected leave for specified family, medical, or safety-related reasons. The program requires employers with 25 or more employees to contribute to the program's fund, the Paid Family and Medical Leave Insurance Fund (fund). The fund maintains the Paid Leave Oregon Program and consists of contributions made to the program by employers and employees and from penalties, fees, revenues, and any other money deposited or credited to the account. Employers and employees began making contributions to the fund in January 2023. The Paid Leave Oregon program began providing benefits to employees and assistance grants to employers in September 2023. As of May 1, 2024, Paid Leave Oregon had received a total of 79,651 ID verified applications, paid 56,000 claimants, and paid a total of \$410.6 million in benefits.

Senate Bill 858 A makes technical changes to the administration of the Paid Leave Oregon program and specifies actions an authorized agent may take on behalf of a deceased or incapacitated person within Paid Leave Oregon if the person becomes deceased or incapacitated before submitting a claim for benefits or before a final decision has been made on the person's pending or existing claim.
