

STATEWIDE DISASTER PREPAREDNESS STOCKPILE

Disaster Preparedness Stockpile & SPIRE

Stockpile and SPIRE

Current (FY25) Similarities

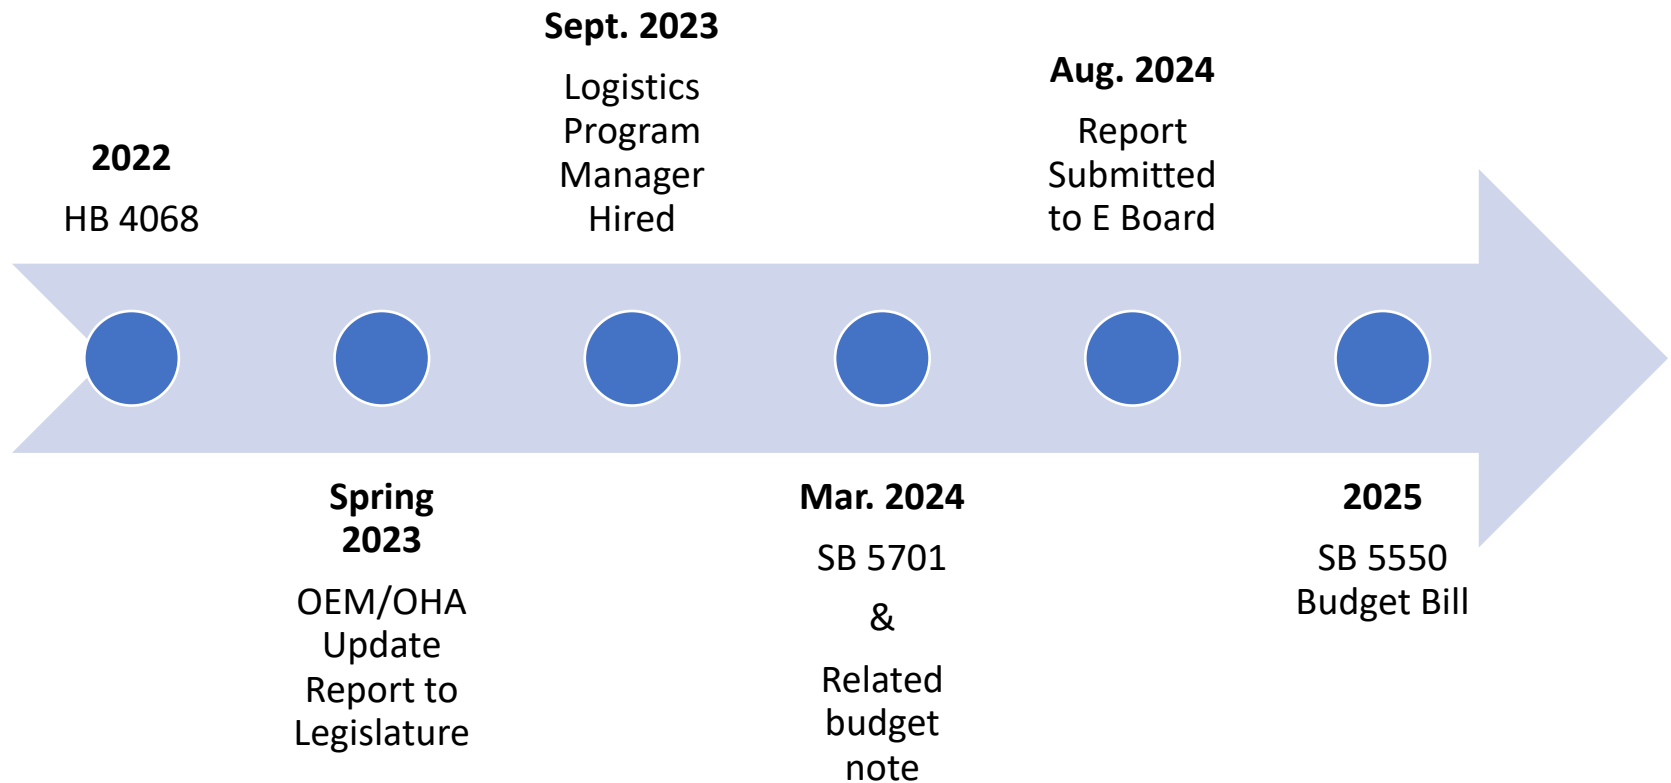

Stockpile	SPIRE
Can purchase equipment	
No Federal funds	
Local and Tribal partners can propose uses for equipment	
Equipment must be accountable through report requirements	

Current (FY25) Differences

Stockpile	SPIRE
General funded through a SPA	Bond funded
Can purchase equipment, materials, commodities, and any related logistical costs	Can only purchase equipment
Continuous needs assessment and resource management plan TBD	Established application-style process
Incorporation of partner inventories	Only tracks SPIRE assets
Not intended for private partner ownership	Private partner ownership is an option
Must follow procurement laws	Choosing to follow most procurement laws
