SB 5509 is the budget bill for the Construction Contractors Board.

The Construction Contractors Board regulates contractors working in construction and other related industries in Oregon. The General Government Subcommittee approved a budget of \$23,370,802 Other Funds and 60 positions, an 8.7% increase from the current service level.

The budget includes one-time funding of \$1.5 million and one part-time limited duration position to complete the licensing system replacement project. Additionally, it provides funding for personnel cost flexibility and migration of IT hosting to the State Data Center. Finally, the budget reflects a \$75 licensing fee increase for renewals effective July 1, 2024, and for new applications effective July 1, 2025.

The General Government Subcommittee recommends SB 5509 be amended by the –1 amendment and be reported out do pass, as amended.
