SB 5510

Construction Contractors Board - Fee Bill

To: Ways and Means Full Committee
From: General Government Subcommittee
Carrier: Senator Manning

SB 5510 ratifies fee modifications for the Construction Contractors Board that were implemented through administrative rule during the interim.

The Board relies on contractor license fees for over 90% of its operating revenue. The last fee increase was in 2010. As fees had not kept pace with inflation, the Board administratively adopted a fee increase in 2024, raising the two-year renewal fee from \$325 to \$400 effective July 1, 2024. The resulting \$2.8 million increase in revenue is assumed in the Construction Contractors Board budget bill SB 5509.

The General Government Subcommittee recommends SB 5510 be reported out do pass.
