Since 1987, members of the Armed Forces of the United States, as well as their spouses and dependent children under the age of 23, have been considered residents for purposes of tuition at public universities and community colleges in Oregon (ORS 352.313, ORS 341.496). Currently, the resident tuition rate applies to members of the U.S. Armed Forces, including the National Guard and the Oregon National Guard, who either reside in the state or establish Oregon residency by filing Oregon state income taxes at least one year before leaving active duty.
