

# Centralized Healthcare Facility

---

Thom Martin, Assistant Director of  
Administrative Services

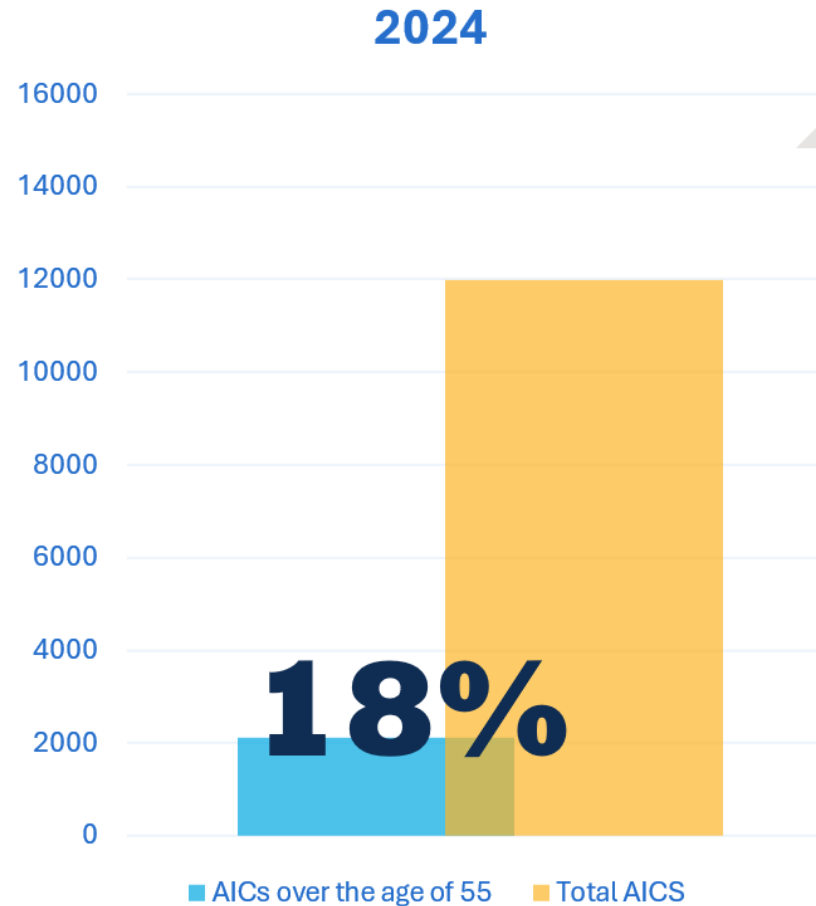

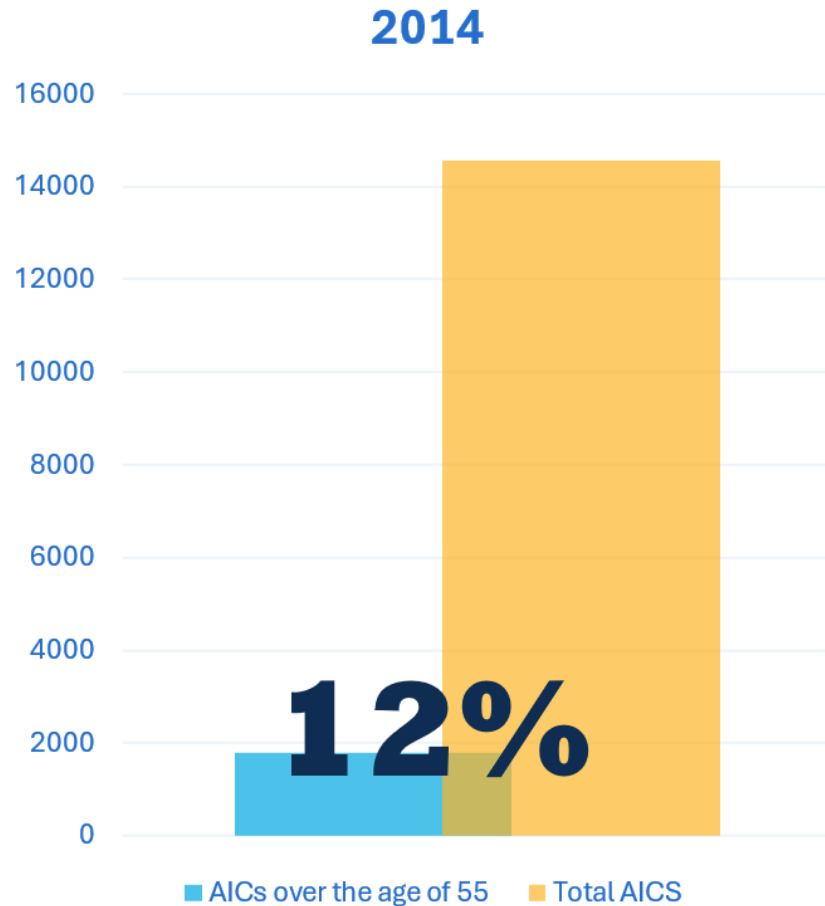

# Rationale for Centralized Healthcare Facility

- Limited space for proper care.
- Aged equipment and institutional designs.
- Three flights of stairs to get to the OSP Infirmary.
- OSCI has medical on two floors, with one elevator.

# Increasing Aging Population

**15%**  
**Growth**  
**in last**  
**10 years**

# Current Infirmary Issues

## **Infirmaries are not equipped to provide:**

- Hospice care.
- Memory care.
- Geriatric care.
- Long term stays.

# Need for On-site Pharmacy Facility

## On-site Pharmacy benefits:

- Cost saving on administering oncology medications.
- Removing need for off-site trips.
- Ability to compound medications.
- 24/7 access to critical care medications.

# The Path to Improvement

---

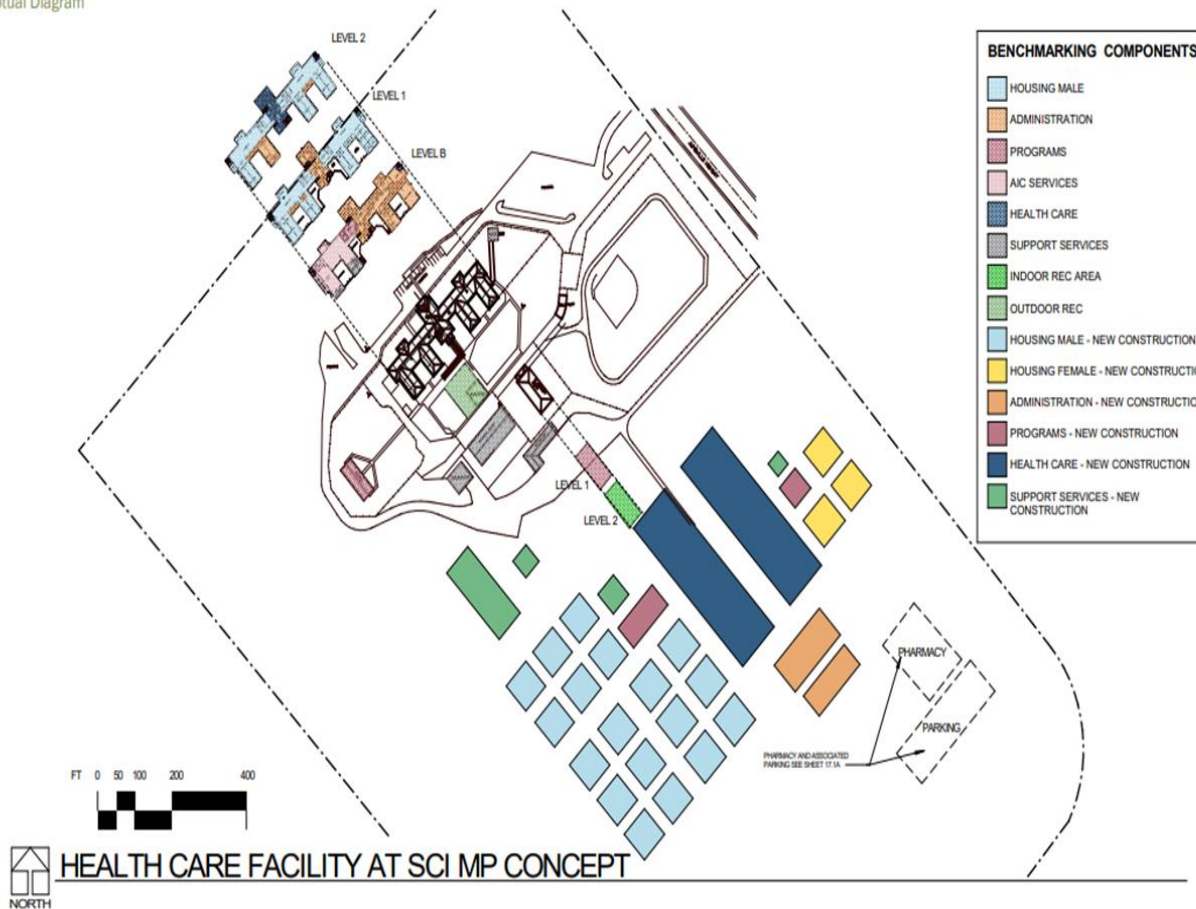

- Designing a centralized medical facility to meet the growing needs of our population.

# Co-develop with OSP Replacement
