BACKGROUND:

[House Bill 3416 \(2011\)](#) established the World War II (WWII) Memorial Task Force to solicit private funding for the development, design, and construction of a WWII memorial at the Capitol Mall to honor Oregon's WWII veterans. The memorial, located at the northwest corner of Wilson Park west of the Capitol, was dedicated on June 6, 2014. It features a 33-foot-tall monument, and walls with the names of the roughly 3,800 Oregonians who died in combat during WWII.

House Bill 2344 A directs the Oregon Department of Veterans' Affairs to keep the WWII memorial up to date, add an educational tool with context about WWII, and include service members and civilians meeting specified criteria who served during WWII.
