Work Session Recommendations

SB 5519 is the fee ratification bill for the Oregon Department of Energy (ODOE). The measure includes changes to fees that were administratively adopted or adjusted by rule during the interim and must be ratified by the Legislature during the next session per ORS 291.055.

The measure ratifies the increase to the Large Electric Consumer Public Purpose Program charge to 4% for administrative costs of the program. The Department notified stakeholders of their intent to raise the fee and received no feedback.

The budget bill for ODOE (SB 5518) assumes passage of SB 5519. The fee increase is anticipated to generate \$46,550 in Other Funds revenue in the 2025-27 biennium.
