SB 5513 is the budget bill for District Attorneys.

District Attorneys are state employees. The State funds their compensation and tort liability insurance, however, some counties have elected to provide supplemental compensation. The funding for Deputy District Attorneys is a county government responsibility.

The Public Safety Subcommittee recommends a budget of \$20,970,704 General Fund, 36 positions and 36.00 FTE. This is an 13.6% increase over the 2023-25 legislatively approved budget. The budget includes one-time \$889,250 General Fund to cover the cost of benefits changes and \$550,000 for the reconciliation of personal services costs.
