# **Summary of Revenue Changes**

The Health Related Licensing Boards (HRLB) structure consists of six independent boards. The Boards are combined into one agency for the ease of budgetary reporting. Each board develops individual budgets, which are approved by the Legislature in a single budget bill. All six Boards are entirely funded through Other Funds revenues, largely through licensing and application fees. The Subcommittee recommended budget includes a fee increase for the Oregon Veterinary Medical Examining Board that will add \$578,940 Other Funds revenue.

# **Summary of Education Subcommittee Action**

The HRLB structure consists of six independent boards: Oregon Mortuary and Cemetery Board, Oregon Board of Naturopathic Medicine, Occupational Therapy Licensing Board, Oregon Board of Medical Imaging, Board of Examiners for Speech-Language Pathology and Audiology, and the Oregon Veterinary Medical Examining Board.

## **Mortuary and Cemetery Board**

The Oregon Mortuary and Cemetery Board (OMCB) regulates the individuals and facilities engaged in the care, preparation, processing, transportation, and final disposition of human remains through licensing, inspection, and disciplinary programs. The Subcommittee recommended a budget of \$3,555,245 Other Funds expenditure limitation and seven positions (7.00 FTE). The budget reflects a 10.6% increase from the 2023-25 legislatively approved budget and provides the Board with an ending balance of approximately 15 months of operational expenses. The Subcommittee recommended the following package:

• <u>Package 090: Analyst Adjustments</u>. This package increases OMCB's ongoing Other Funds expenditure limitation by \$62,144 in Facilities Rental and Taxes to reflect OMCB's new monthly rental rate following a restack of their office space.

## **Board of Naturopathic Medicine**

The Oregon Board of Naturopathic Medicine (OBNM) regulates naturopathic physicians through licensing and disciplinary programs. The Subcommittee recommended a budget of \$1,176,829 Other Funds expenditure limitation and three positions (3.00 FTE), which is a 1.4% decrease from the 2023-25 legislatively approved budget and provides the Board with an ending balance of approximately six months of operating expenses. The Board should consider a fee increase during the 2025-27 biennium. The Subcommittee recommended the following package:

<u>Package 090: Analyst Adjustments</u>. This package decreases OBNM's ongoing Other Funds expenditure limitation by \$108,348 across
Facilities Rental and Taxes, Attorney General, Instate Travel, Out of State Travel, Office Expenses, Data Processing, Professional
Services, and Board Member Stipends.

# **Occupational Therapy Licensing Board**

The Occupational Therapy Licensing Board (OTLB) regulates the practice of occupational therapy through licensing and disciplinary programs. The Subcommittee recommended a budget of \$797,539 Other Funds expenditure limitation and two positions (1.50 FTE), which is a 5.5% increase from 2023-25 legislatively approved budget and provides the Board with an ending balance of approximately 11 months of operating expenses. The Subcommittee recommended the following package:

• <u>Package 090: Analyst Adjustments</u>. This package decreases OTLB's ongoing Other Funds expenditure limitation by \$18,734 in Facilities Rental and Taxes to reflect OTLB's new monthly rental rate following a restack of their office space.

## **Board of Medical Imaging**

The Oregon Board of Medical Imaging licenses and regulates radiographers, radiation therapists, limited x-ray machine operators, nuclear medicine technologists, sonographers, and MRI technologists. The Subcommittee recommended a budget of \$1,828,620 Other Funds expenditure limitation and four positions (4.00 FTE), which is a 12.6% increase from the 2023-25 legislatively approved budget and provides

the Board with an ending balance of approximately 30 months of operating expenses. The Subcommittee recommended the following packages:

- <u>Package 101: Health Care Investigator FTE Increase</u>. This package increases ongoing Other Funds expenditure limitation by \$66,443 to increase a permanent part-time investigator to full-time to account for an increasing investigative caseload.
- <u>Package 102: Health Care Investigator Reclass to Inv. 2</u>. This package reclassifies an Investigator 2 to a Health Care Investigator and has no fiscal impact.

## **Speech-Language Pathology and Audiology**

The Board of Examiners for Speech-Language Pathology and Audiology (BSPA) regulates Speech-Language Pathologists, Speech-Language Pathology Assistants and Audiologists through licensing and disciplinary programs. The Subcommittee recommended a budget of \$1,332,798 Other Funds expenditure limitation and three positions (3.00 FTE), which is a 2.3% increase from the 2023-25 legislatively approved budget and provides the Board with an ending balance of approximately 13 months of operating expenses. The Subcommittee recommended the following package:

• <u>Package 090: Analyst Adjustments</u>. This package decreases BSPA's ongoing Other Funds expenditure limitation by \$26,935 in Facilities Rental and Taxes to reflect BSPA's new monthly rental rate following a restack of their office space.

# **Veterinary Medical Examining Board**

The Oregon Veterinary Medical Examining Board (OVMEB) regulates the veterinary professions in Oregon through enforcement of the Veterinary Practice Act. The Subcommittee recommended a budget of \$1,940,027 Other Funds expenditure limitation and five positions (5.00 FTE), which is an 11.8% increase from 2023-25 legislatively approved budget and provides the Board with an ending balance of approximately eight months of operating expenses. The Subcommittee recommended the following packages:

- <u>Package 090: Analyst Adjustments</u>. This package decreases OVMEB's ongoing Other Funds expenditure limitation by \$12,303 in Facilities Rental and Taxes to reflect OVMEB's new monthly rental rate following a restack of their office space.
- <u>Package 100: Fee Increases</u>. This package allows the agency to raise fees. This will increase revenues by \$578,940 to adjust for inflated costs and continue current programs. The agency has not raised fees since 2014.

Additionally, the Subcommittee recommended an adjustment to increase the Other Funds expenditure limitation by \$31,500 for legal expenses for the 2023-25 biennium.
