

Requested changes to HB 2084-3  
(Rep. Hudson, 5/29/25)

p. 1, line 13: change 10% to 20%.

p. 2, lines 13-16: move the exemptions for cities (i.e., political subdivisions of this state) from the contracting requirements in Section 2(6), not the licensing requirements in Section 2(1).

- State contracts, for amounts up to \$25k, need to continue to have the provisions of 279B.045

- State contracts over \$25k will need a Tax Compliance Certificate (TCC)
- Local government contracts of any amount do not need a TCC
