BACKGROUND:

In 2021, the Legislative Assembly passed [House Bill 2055](#) which established the Tribal Early Learning Hub and the [Tribal Advisory Committee \(TAC\)](#). The bill directed the Early Learning Council to implement a system to coordinate the delivery of early learning services to Tribal communities through the direction of the Tribal Early Learning Hub. The bill established the TAC to advise the Early Learning Council on the Tribal Early Learning Hub.

[House Bill 4033](#), passed by the Legislative Assembly in 2022, modified membership of the TAC, including making the member from the Commission on Indian Affairs non-voting and eliminating parent members, and required that the Early Learning Division appoint members in consultation with the nine federally recognized Tribes in Oregon.
